ABOUT PSC

Precision Shooting Club is a premier shooting club in New Delhi, India. It is registered as a society under the Societies Registration Act, of 1860 and affiliated with Delhi State Rifle Association. The club aims to identify and train young talent and support India's medal quest. To achieve this, we scout for young talent, provide them training and support them throughout the journey. The club is affiliated with the Delhi State Rifle Association, which is affiliated to The National Rifle Association of India, the umbrella organization for all sports shooting activities in India.

Precision Shooting Club was founded in 2011 by Mr. Vikram Bhatnagar, International Medalist and Renowned Shooter. He is also a Star Shooter of Delhi State. He is the President of the Club and is assisted by an able Governing Body and members for achieving the aims and objectives of the Club.

GENERAL RULES:

For Firearms

The safety of athletes, range personnel and spectators require continued and careful attention to gun handling and caution in moving about the range. It is strongly recommended that all personnel operating forward of the firing line should wear high visibility vests or jackets. Self-discipline is necessary on the part of all.

1. Conventional double-barreled shotguns must be carried empty with the breech visibly open
2. Shotguns not in use must be placed in a gun rack, locked gun case, armory or other secure place.
3. All shotguns must be kept unloaded except on the shooting station and only then after the command or signal "START" has been given.
4. Cartridges must not be loaded in the shotgun until the athlete is standing on the shooting station, facing the machines with the shotgun pointed towards the target flight area and after the Referee has given permission.
5. When shooting is interrupted, the shotgun must be opened and any cartridges or empty cartridge cases must be removed.
6. No athlete may turn from the shooting station before his shotgun is open and empty.
7. After the last shot and before leaving the range or placing the shotgun on a rack, armory etc., and the athlete must ascertain that there are no cartridges or empty cartridge cases in the chamber and/or magazine. The handling of closed shotguns is prohibited when operating personnel are forward of the firing line.

For Air guns

Safety

Always keep your finger off the trigger until you're ready to shoot, and keep the weapon pointed in a safe direction. You should also always wear eye and ear protection.

Handling guns

When entering or exiting the range, firearms must be unloaded and actions opened. When not on the firing line, guns must be in their cases unless otherwise authorized by a range officer. You should also insert safety flags into guns that aren't in cases before athletes are called to the line, when leaving the firing point, and after firing is completed.

DECLARATION

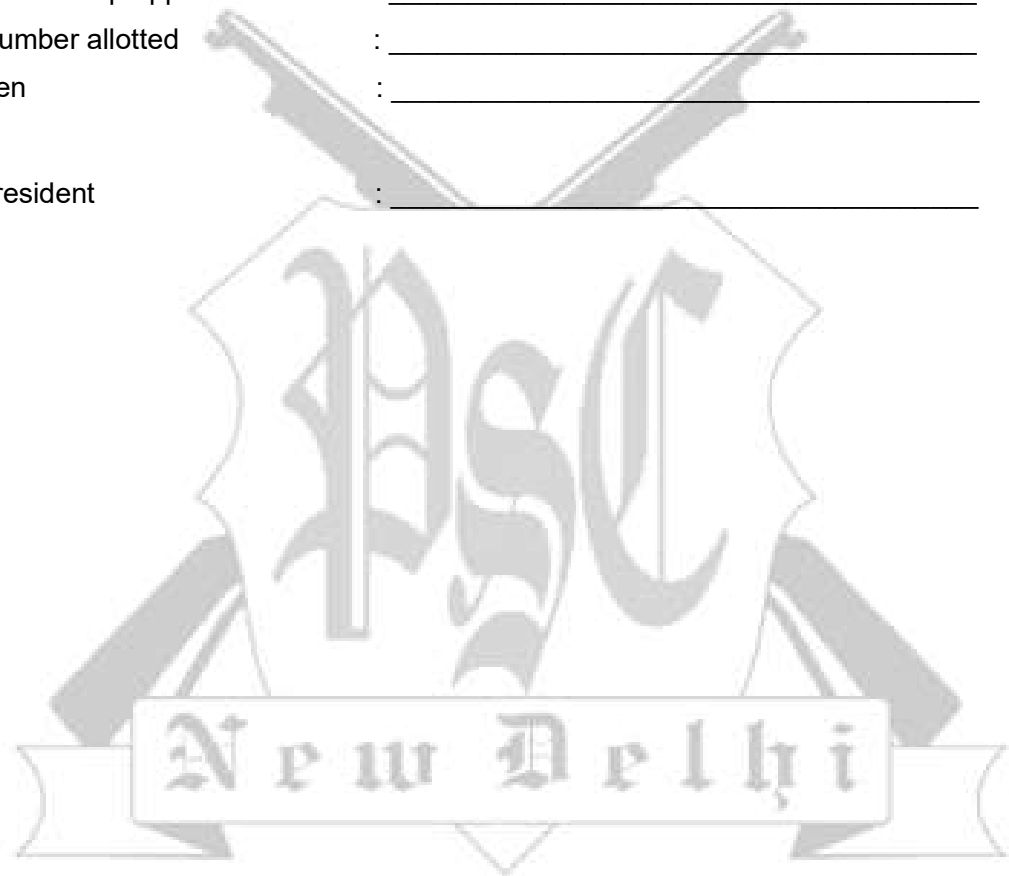

I have read the above Rules & Regulations and I agree to abide by them, failing which I shall be liable to disciplinary action.
